The next GPS Users Group meeting will be May 25<sup>th</sup> from 4 to 6 at the Table Mountain Inn, Golden. If you have any questions please contact Pamela Fromhertz. [Pamela.Fromhertz@noaa.gov] (303) 758-9197

### CCPS WEBSITE FOR EMPLOYMENT.

If you are looking for an employee or looking for a new job go to the CCPS website [www.colorado-surveyors.org](http://www.colorado-surveyors.org). Go to the Email job openings

### The Hayden Atlas.

The CCPS has a copy of the Hayden Atlas. This book is in good conditions but requires some binding to keep it in good repair. We are thinking about having it scanned and it may take disassembling it to do so. Then we would get it rebound. It may hurt the value of the book to have it scanned but it may be a way that more people can enjoy the scanned images. Come to the General Meeting or email us a let us know what you think Go to our website at [www.colorado-surveyors.org](http://www.colorado-surveyors.org)

### BILL McCOMBER MENTORING PROGRAM

The next McComber Mentoring Session will be held at 6:00 PM on Wednesday May 24, 2006. The address of Jehn Engineering is 5855 Wadsworth Bypass, Arvada, Colorado 80003. If you need a map, please email me Gene Koooper at [ekooper@uswest.net](mailto:ekooper@uswest.net) or call (303) 989-5424 and I will send one. The topic will be "Research" and Dave Pehr and I will make the presentation.

Don't miss this opportunity to hear Dave Pehr talk about the elements of good research. Admission is only \$10.

Other up coming classes are,

Contouring & Interpolations. June 7, 2006. Doug Berling & Gary Gable will be the presenters. This topic will cover the basics of topo surveys, interpolations between points with known elevations & contouring in general.

Introduction to GPS. June 21<sup>st</sup> 2006, Geof Stephenson & Gaby Neunzert will present the overview of GPS covering code & phase tracking, absolute, differential & RTK positioning \*
